A Letter from Mary Lou

Dear Parents,

Tomorrow marks the one year anniversary of the Newtown tragedy. It is hard to believe a year has passed since that fateful day when time stopped and the whole world changed.

When media shrinks the world, when the global becomes personal, when the Newtown parents enter my living room and Mandela tributes enter my car, I am reminded of our work. I am reminded of the importance of teaching compassion.

We have an enormous responsibility to our children. We must help them to feel, to see, and to make sense of our complicated world. We must give them heroes. We must give them hope.

This holiday season I ask you to invite the world into your private spaces. I ask you to feel and forgive, and I ask you to guide your children to be brave, peaceful, compassionate change agents.

With gratitude,
Mary Lou

Please be sure to send your children to school outfitted for winter play. The students need coats, boots, hats & gloves. This gear is especially important for recess and the walk to Ethel Walker for gym class. Thank you for your help in making sure your children are ready for the great outdoors.

Lastly, please be sure to keep your child home if s/he is unwell. We work especially hard over the winter months to keep illnesses as bay and appreciate your help in this challenging task.
