

**BEFORE AND/OR AFTER SCHOOL CARE
INFORMATIONAL SHEET**

The Cobb School is pleased to offer Before School “*Early Bird*” and After School “*The Nest*” care for our students.

EARLY BIRD

The *Early Bird* program is for those parents who need to bring their child to school earlier than our regular arrival time allows. Drop off for *Early Bird* begins at 7:30 in the morning on regular school days. There is no *Early Bird* when school is delayed. You may sign up for all days, or just some days, however the days need to be consistent so that we are always prepared for your child’s arrival.

THE NEST

Registration for *The Nest* can be for as few as 3 days per week, or for all 5 days per week. Due to limited capacity, the days of each week need to be consistent so that we are not over filled on any given day.

We offer a variety of pick up times, and for your convenience we can accommodate different pick up times to suit your needs. For example, you may wish to pick up your Morning Primary child at 3:15 two days weekly, and 4:30 two days weekly. On an as-needed basis with advance notice, we can usually accommodate requests for an additional day or time for those students already enrolled in the program, but no credit will be given for absent days or times. The days your child is enrolled for cannot be changed from week to week; however if your circumstances change and you would like different days on a permanent basis and there is space available, we will make every effort to accommodate your needs.

The Nest has a limited capacity, thus enrollment is on a first-come, first-serve basis. There is no penalty for withdrawing your child mid-year should your circumstances change. In this instance, your account would be adjusted.

On days that we have a scheduled early dismissal on the calendar, your Extended Day or Elementary child will go to *The Nest* and you can pick up your child at your regularly scheduled Nest pick-up time. There is no *Nest* on days that school is closed, however we may offer Vacation Care during our school breaks.

PRORATING

If there is space and staff available during the course of the year, we may be able to accommodate your child mid-year, at which point we would prorate the fees.

PLEASE SEE REVERSE for fees and registration.
